MEMORANDUM FOR: Chief, Imagery Exploitation Group, NPIC
Chief, Technical Services & Support Group, NPIC
Chief, Production Services Group, NPIC
Chief, Planning, Programming & Budgeting Staff, NPIC

SUBJECT : Orientation Briefing - Office of Scientific Intelligence

1. On 20 April at 1000 hours, [] Director, Office of Scientific Intelligence, will brief NPIC division level personnel on OSI activities as they may relate to NPIC efforts in the area of technology. 25X1

2. This event is part of a mutual effort toward closer communications on a continuing basis between NPIC and OSI personnel which will do much to further the work of both organizations.

3. [] briefing should be considered as a "door opener" whereby specific items mentioned may very well trigger NPIC interest to request follow-on briefings in greater detail.

4. The briefing is planned for approximately one hour in the Beige Room.
